

Residential Rebate Application

Water Efficient Appliances

Rebate Eligibility Requirements

- Applicants must live in a single-family residence within the City of Beaverton Water service area, including a house, condominium, duplex/multiplex, or manufactured home with a single or master meter.
- The applicant must have a current Beaverton water account in good standing and be the owner of the residence.
- Applications must include a copy of a proof of purchase receipt from a retailer or plumbing company that specifies the purchaser date, purchased price, manufacturer, and model number.
- The application must be received within 60 days of purchase date.
- Product must be installed at the physical address on your water billing account. Prior to approval, an on-site inspection may be requested by the City of Beaverton.
- The total rebate will not exceed the purchase amount. Rebates will be credited to your water billing account.

High-Efficiency Toilet Rebates

Apply for a \$75 per toilet rebate when you replace your old water-wasting toilet(s) with an EPA WaterSense labeled 1.28 gallon per flush (gpf) High-Efficiency Toilet (HET). For a list of qualified WaterSense models, visit www.epa.gov/watersense. The City of Beaverton strongly encourages recycling old toilets. *Limit: two per household.*

Washing Machine Rebates

Apply for a \$50 rebate when you purchase and install a new Energy Star qualified washing machine. For a list of qualifying models, visit www.energystar.gov. *Limit: one per household.*

How to Apply

After purchasing and installing your new washing machine or HET(s) per the eligibility requirements outlined above, complete the Residential Rebate Application form and attach a copy of the receipt. Use the check list below to ensure you meet all of the program requirements and to expedite the processing of your request.
